

Average of air_temperature, Min of air_temperature and Max of air_temperature by Year, Month and station_name

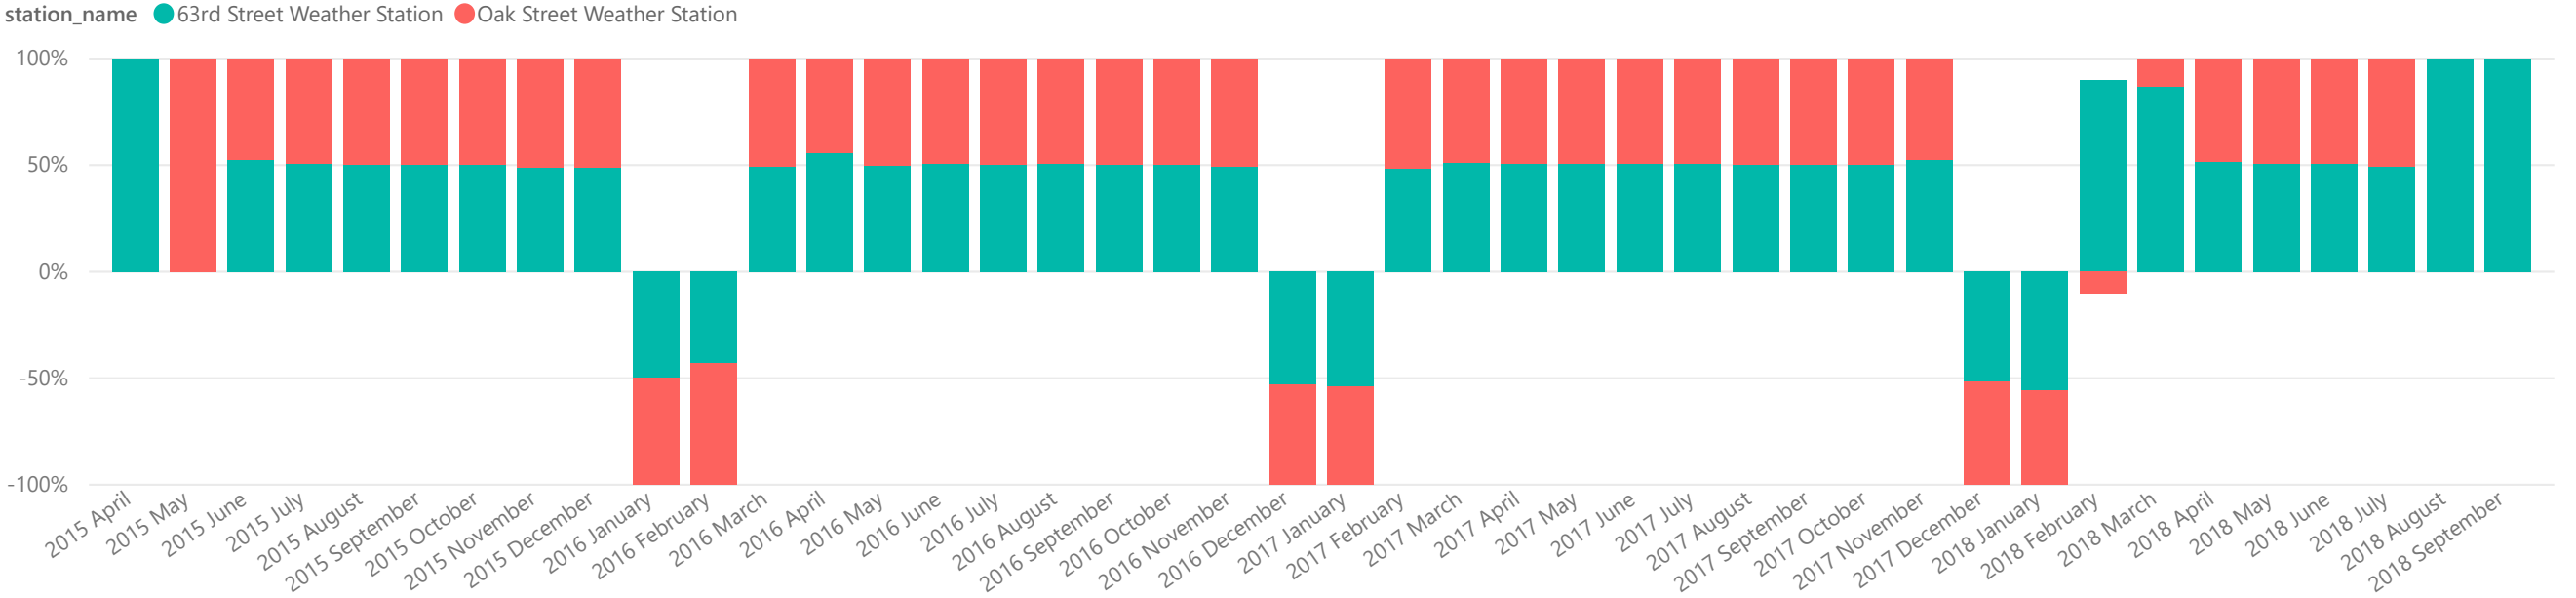

Average of total_rain by Year, Month and precipitation_type

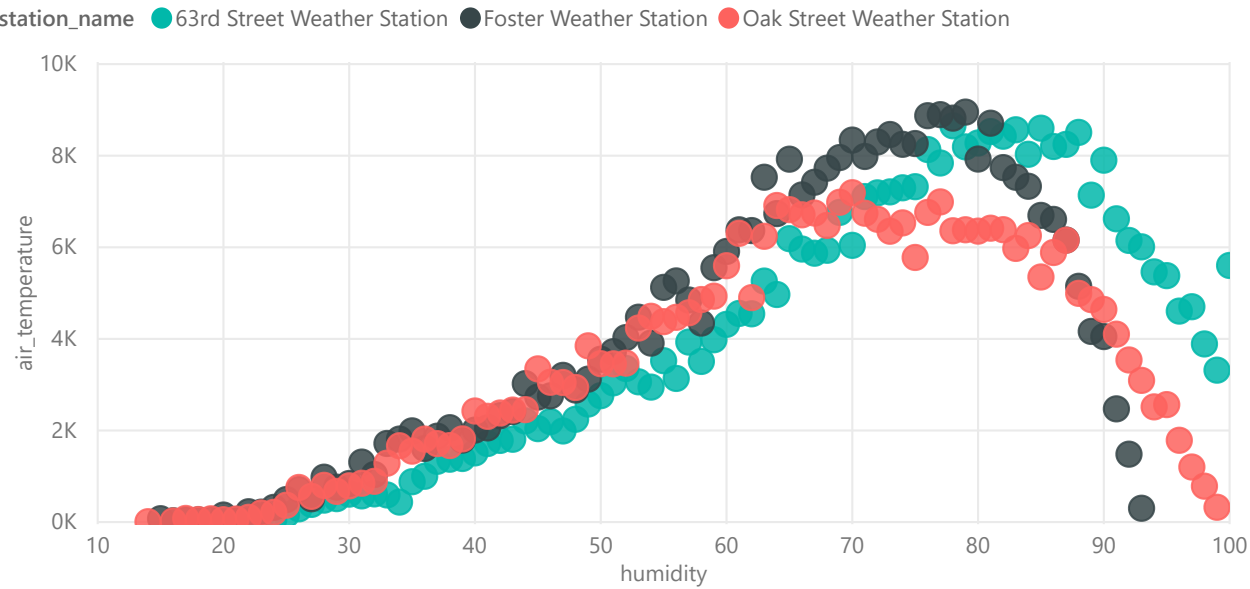

Average of total_rain, Min of air_temperature and Max of air_temperature by Year, Month and station_name

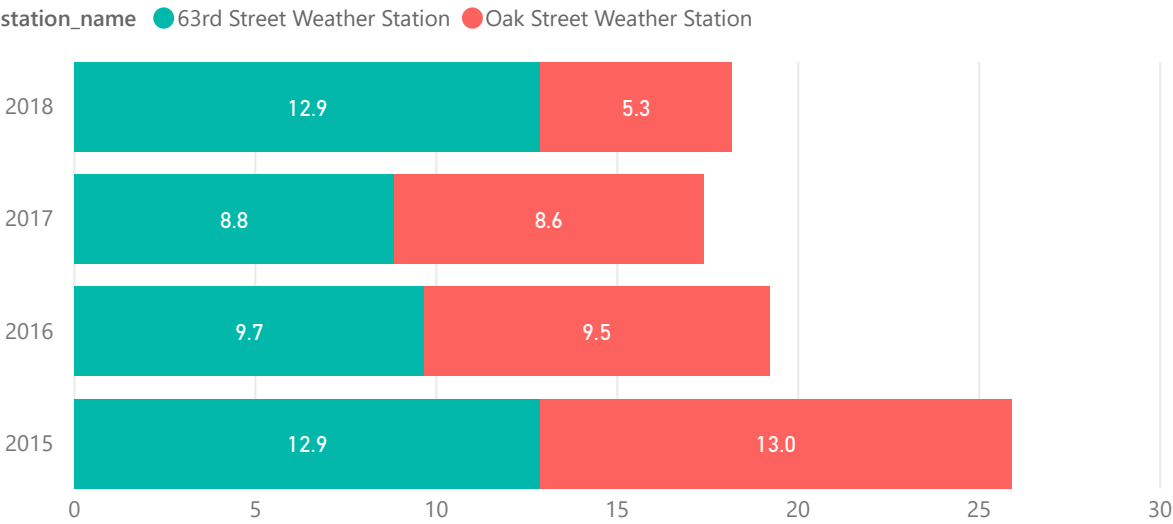

Average of wet_bulb_temperature by Year, Month and station_name

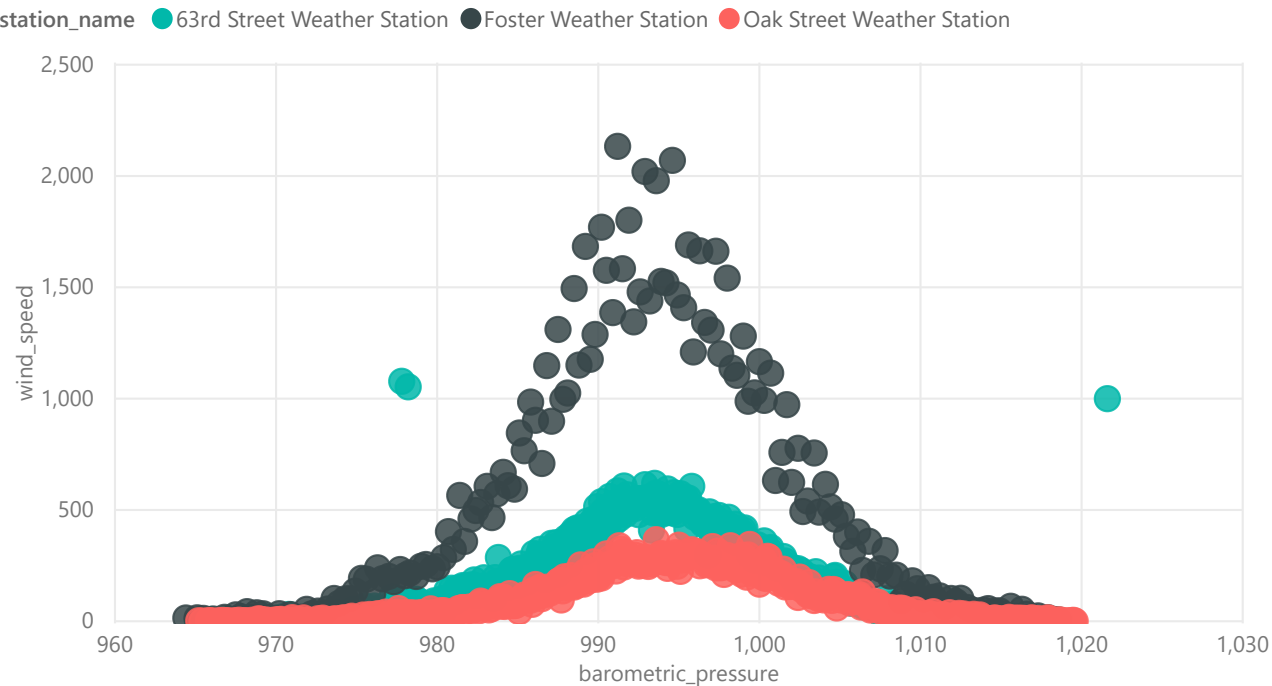

air_temperature by station_name and humidity

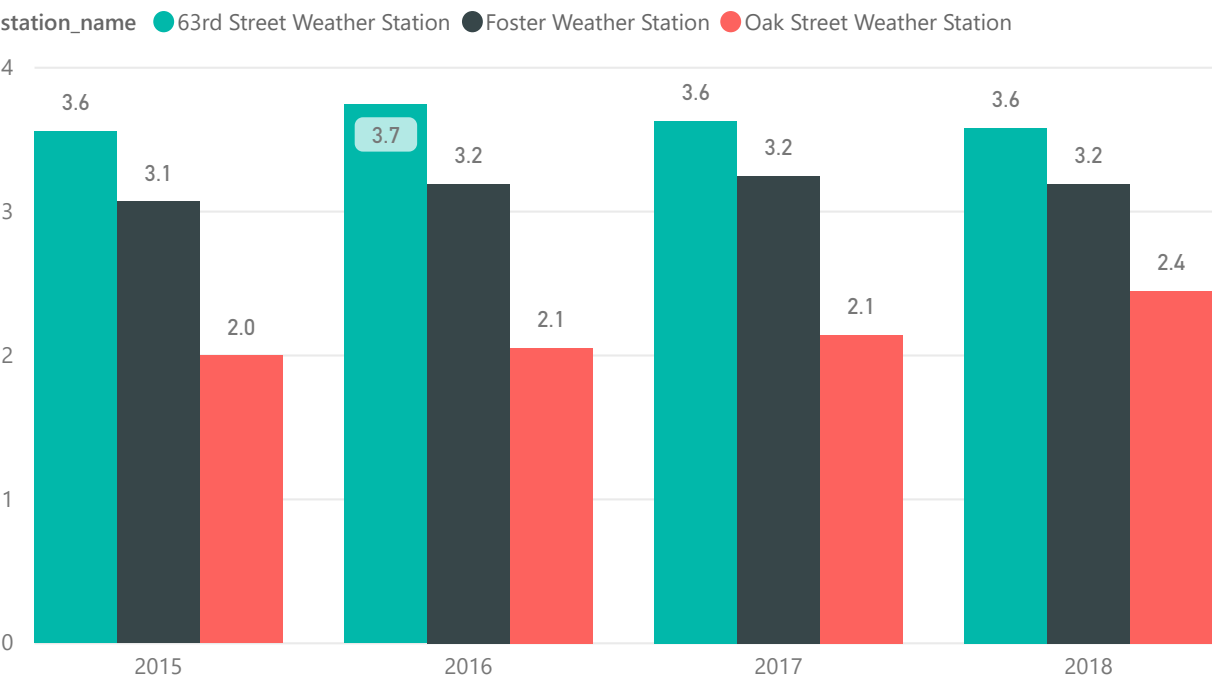

Average of wet_bulb_temperature by Year and station_name

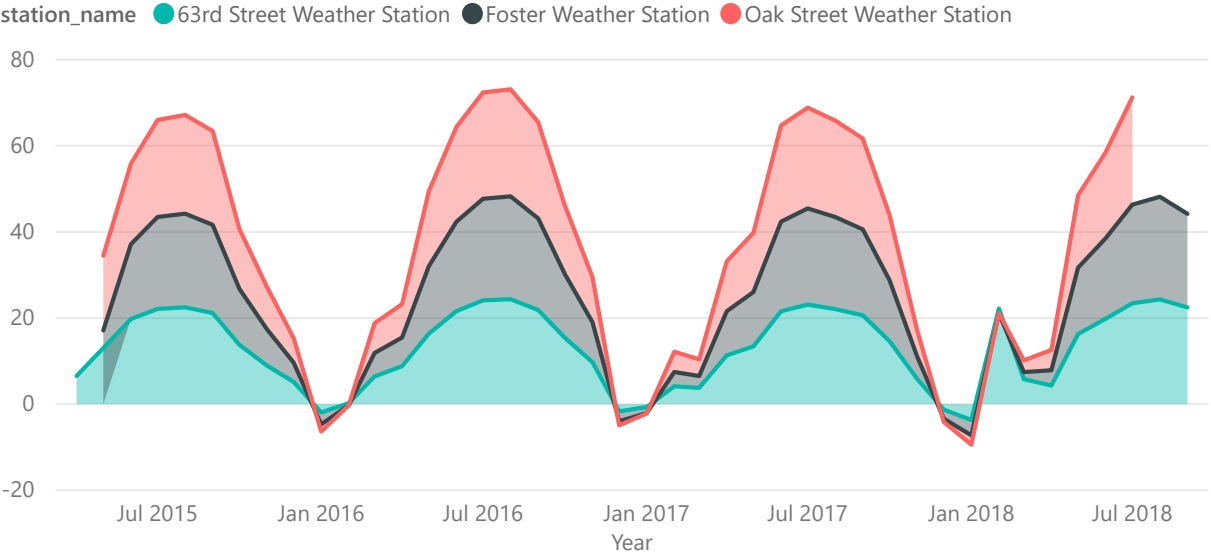

wind_speed by station_name and barometric_pressure

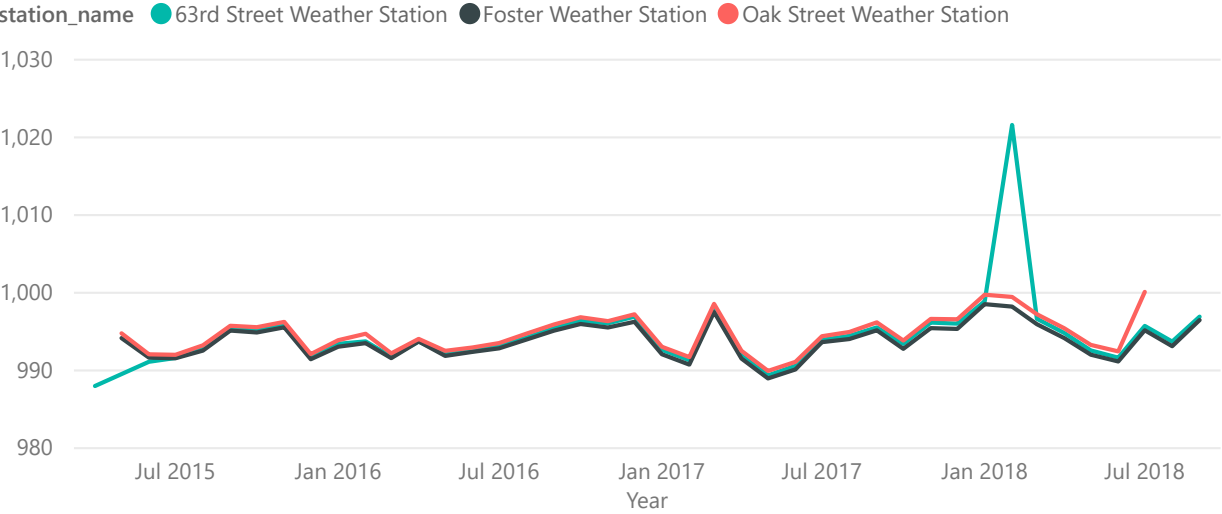

Average of wind_speed by Year and station_name

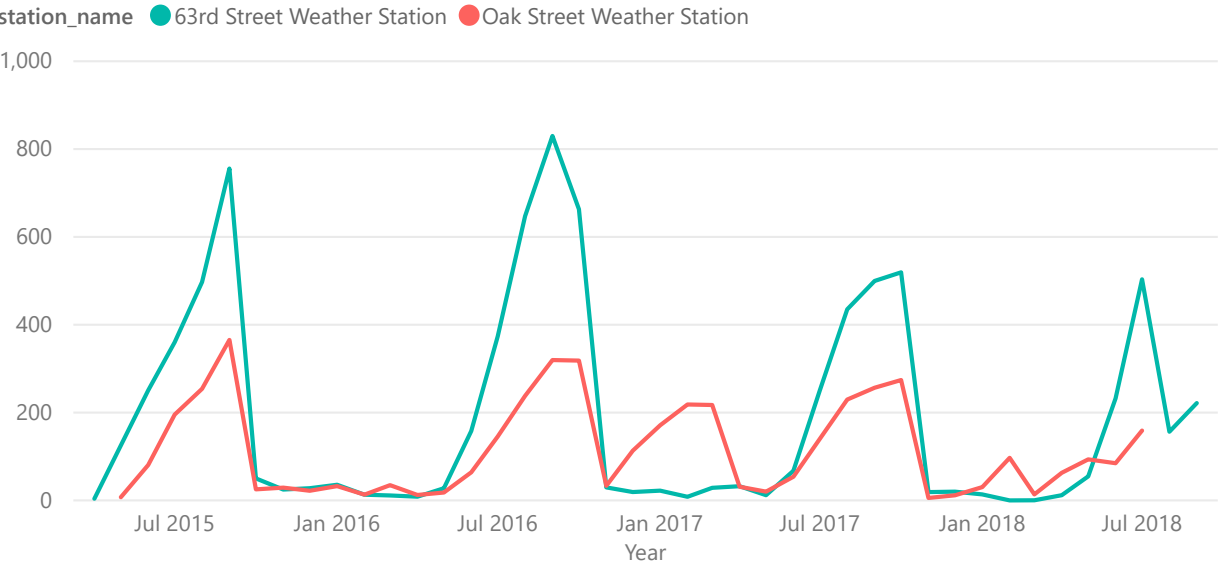

Average of air_temperature by Year, Month and station_name

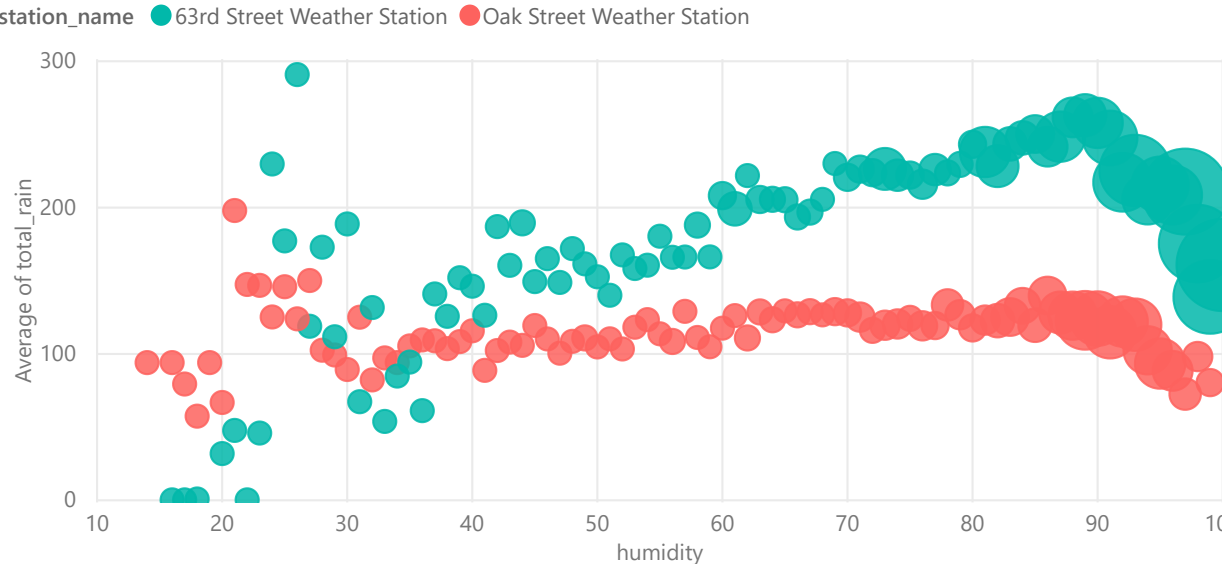

Average of barometric_pressure by Year, Month and station_name

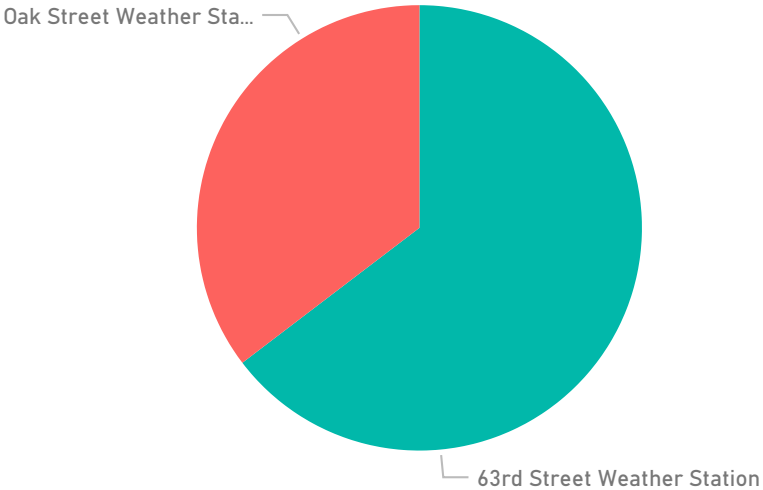

Average of total_rain by Year, Month and station_name

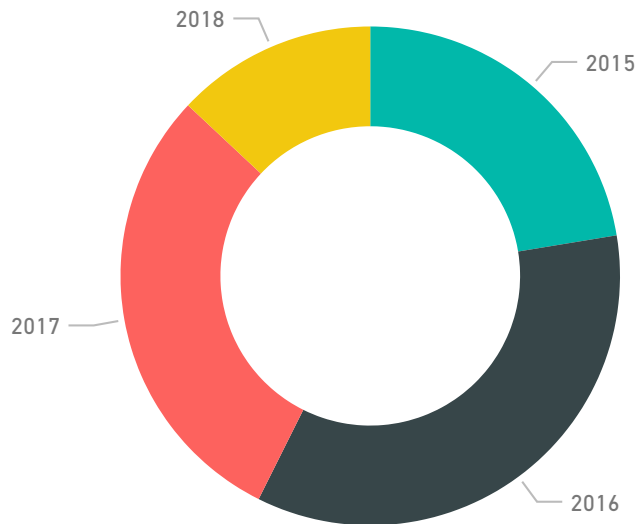

Average of total_rain and rain_intensity by station_name and humidity

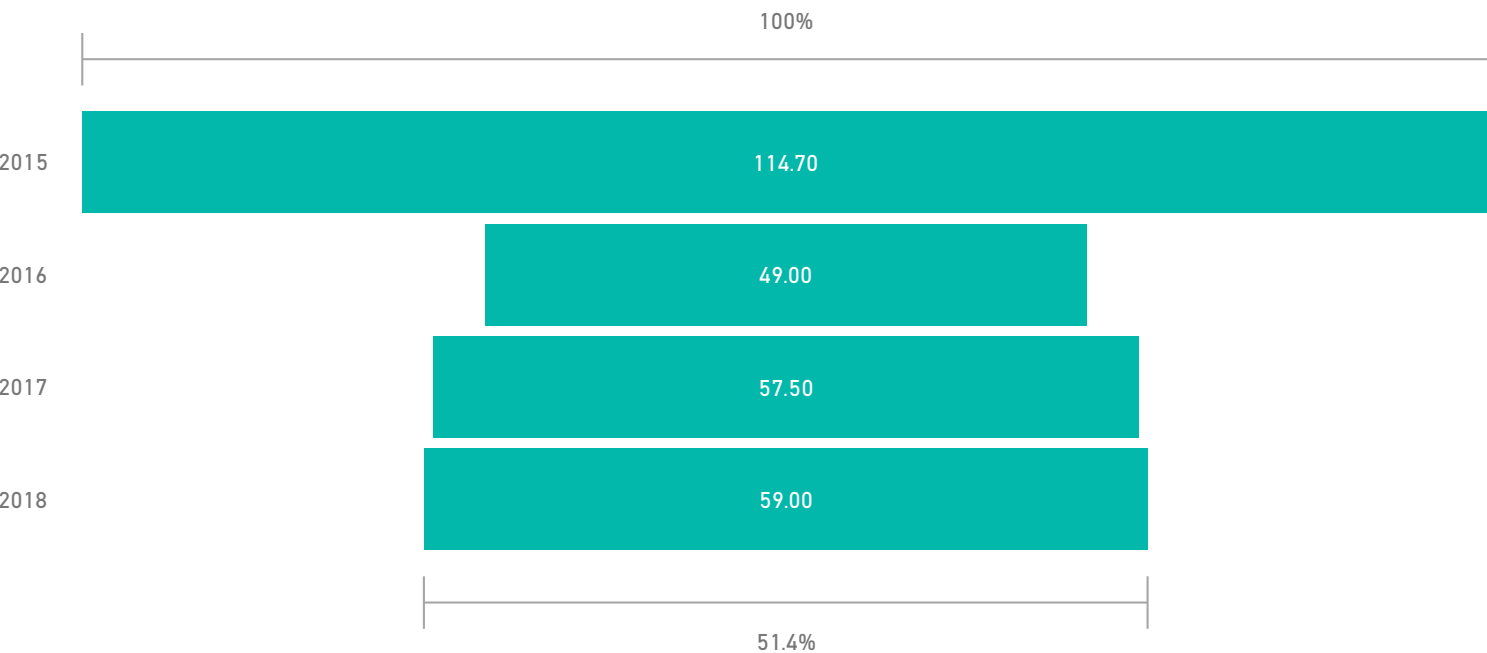

total_rain by station_name

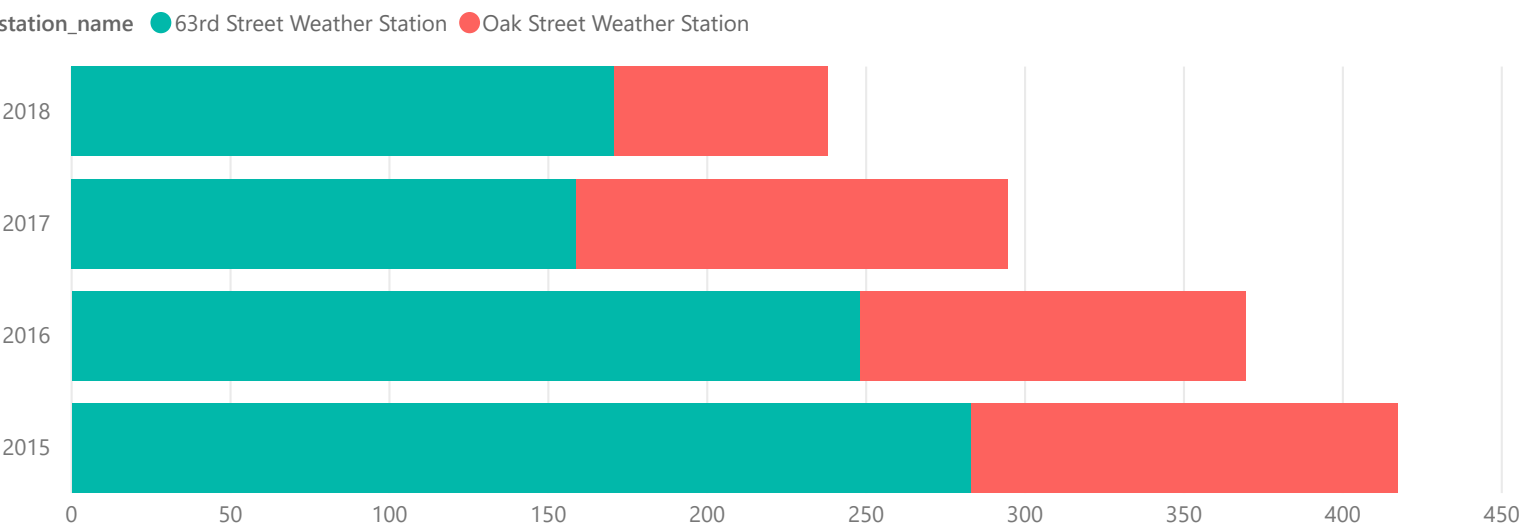

total_rain by Year

Median of total_rain by Year

Average of total_rain by Year and station_name

Year	Month	Average of air_temperature	Average of wet_bulb_temperature	Average of barometric_pressure	Average of humidity	Average of total_rain	Average of wind_speed
